- Bank account – it was confirmed that Nicky has now signed
- Whats pp group. Sam Chorlton- Stansfield attended the meeting briefly to show an e mail from a parent who is unhappy with some of the comments being made on the group, and reminding people what the group was set up for. It was decided that not everyone was aware of this e mail. This was disseminated to the Forum. It was decided that each member is to read the e mail and it will then be discussed and an action plan made at the next meeting, where a set of rules will be formulated to stop abuse of the whatsapp site
- Fundsit was decided that the Forum now needs to look at spending some of the proceeds from the events .It was agreed that improvements to the library would be a good choice for all children to benefit from. Items requested include new carpet, bean bag cube cushions, book dividers, redecoration,shelving. It was estimated that the cost would be approximately £1000.Members to see if there are any contacts with parents, friends etc. who may be able to assist in the process
- End of term disco. Some of the children have expressed their sadness at there not being a Valentine's disco. It was therefore proposed that we concentrate on an end of term disco prior to the Easter holiday. Ideas included optional fancy dress, Tuck shop, Easter cake bake off, raffle, drinks and bar. 31st March (last day before holidays) was agreed but this needs to be confirmed with school first. Jenna suggested Dizzy Dan, who has the reputation of being excellent. Jenna to message with availability.
