Dear Parents,

In an effort to further strengthen our community links we are launching The Bamford Business Club. Whilst this will be open to all businesses in the local community it will initially be offered to the businesses of Bamford parents.

Pages for each business will feature in a specific area of the school's website and offer services and specific offers for the benefit of the Bamford community.

The benefits to your business will include:

- Increased brand awareness within the community
- A customer base of over 650 community members
- Advertising via the Academy website, newsletter and other media portals

All participants will be asked to donate £25 to cover any costs and any profits will be reinvested in school for the benefit of the children.

If you would like to join this new venture please return the reply slip below to the office and one of the team will be in contact shortly to discuss an appropriate package.

Yours faithfully

Mrs S Ashworth  
Link Director
